This screenshot shows the myDMV homepage. The navigation bar at the top includes 'myDMV', 'Driver/ID Services' (highlighted with a yellow box), and 'Vehicle Services'. Below the navigation bar, there is a 'Welcome to myDMV' section with a 'Driver Quick Start' menu. The 'Vehicle Quick Start' menu includes options like 'Add/change a vehicle address' and 'Renew a vehicle registration'.

This screenshot shows the myDMV homepage with the 'Driver/ID Services' menu highlighted. Under the 'Driver/ID Services' menu, there are three main categories: 'Get a New License/ID', 'Renew a License/ID', and 'Change a License/ID'. The 'Change a License/ID' category has a sub-option 'Upgrade from a permit to a license' highlighted with a yellow box. Other sub-options include 'Add/change a driver license/ID address' and 'Downgrade a driver license'.

Después de verificar los requisitos de elegibilidad, haga clic en “Next”.

This screenshot shows the 'Upgrade a driver license' page. The page is titled 'Upgrade a driver license' and has a 'Next' button highlighted with a yellow box. The page contains instructions and eligibility requirements for upgrading a driver license. The 'Eligibility' section lists requirements such as having an eye examination within the last three years, being in compliance with the federal REAL ID Act, and being registered in the Address Confidentiality Program. The 'What You'll Need' section lists requirements such as a valid credit/debit card or checking account information, a valid email address, and your Customer Identification Number, last name, date of birth, and the last four digits of your Social Security Number or Individual Taxpayer Identification Number.

Ingrese la información requerida - Identificación del cliente / número de licencia de conducir, apellido, fecha de nacimiento, y los últimos cuatro dígitos de su seguro social o (ITIN por sus siglas en inglés) "Individual Taxpayer Identification Number". Haga clic en la declaración de certificado, luego haga clic en "Next." *Nota: No haga clic en la declaración "No tengo un número de seguro social o ITIN". Esto hará que el sistema solicite un conjunto diferente de credenciales.*

Seleccione la licencia a la que desea actualizar. La única opción debería ser Regular License. Confirme que su nombre se muestre correctamente. Ingrese su dirección residencial actual, incluida la dirección completa, la ciudad y el código postal. Haga clic en el botón "Verify Address" para la verificación de USPS (Servicio postal de los Estados Unidos). Si es necesario, seleccione la dirección "Verified" adecuada y haga clic en "Save". Presione "Next" para continuar.

Si su dirección postal es la misma que su dirección residencial, haga clic en "No" en la página "Mailing Address", luego haga clic en "Next". Si tiene una dirección postal, haga clic en "Yes" para ingresar y verificar la dirección, luego haga clic en "Next".

The screenshot shows the 'Upgrade a driver license' page with the 'Mailing Address' section highlighted in yellow. The page header includes the Colorado Department of Revenue logo and 'Division of Motor Vehicles'. A status bar at the top right shows 'CVS', 'Toggle Log', 'RunDate: 25-Oct-2021', and 'Last Request: 2088ms (2030ms)'. The left sidebar contains navigation links: 'Upgrade', 'Instructions', 'Verify Identity', 'Driver Information', 'Mailing Address', and 'Emergency Contact'. The main content area asks 'Is your mailing address different from the residential/home address you entered?' with 'Yes' and 'No' buttons. Below this, a section titled 'Colorado Address Required for this Request' contains several required fields: 'Address', 'Country' (USA), 'Street', 'Street 2', 'Unit Type', 'Unit #', 'City', 'State' (CO-COLORADO), 'Zip', and 'County'. A red asterisk indicates that the 'Zip' field is required. A 'Verification Required' message is displayed at the bottom of the form area, along with a 'Click to Verify Address' link. Navigation buttons 'Cancel', '< Previous', and 'Next >' are visible at the bottom.

Contacto de emergencia: puede agregar hasta dos contactos de emergencia, si esta información aún no se ha proporcionado. No es requerido. Haga clic en "Yes" si desea hacerlo; de lo contrario, puede hacer clic en "No".

The screenshot shows the 'Upgrade a driver license' page with the 'Emergency Contact' section highlighted in yellow. The page header and status bar are identical to the previous screenshot. The left sidebar highlights 'Emergency Contact'. The main content area asks 'Would you like to add/change an emergency contact?' with 'Yes' and 'No' buttons. Below this, a section titled 'Contact Information' provides a disclaimer: 'You may specify up to two emergency contacts. By providing emergency contact information, you are giving your consent for the Department of Revenue to release this information to an authorized officer of a law enforcement or public safety agency only in the event of your injury or death as a result of an accident, criminal act or other emergency situation pursuant to Colorado Revised Statute 42-2-121.5. Please note: Updating emergency contact data deletes existing contacts in your record and replaces it with the new information you provide below. If you wish to retain a previous emergency contact, you must re-enter it.' The 'Emergency Contact #1' section contains a 'Full Name' field (marked as required) and a 'What information would you like to provide?' section with radio buttons for 'Address', 'Phone #', and 'Both'. An 'Add another Contact' button is located at the bottom of the section. Navigation buttons 'Cancel', '< Previous', and 'Next >' are visible at the bottom.

Información demográfica: verifique su sexo, ingrese su color de cabello y ojos en los menús desplegable, ingrese su altura y peso. Puede identificar voluntariamente su raza / etnia en este momento, no es obligatorio; se le darán opciones si responde "Yes". Confirme la información demográfica ingresada. Confirme que se haya completado una prueba de la vista en los últimos tres años. Haga clic en "Next".
