Scam: Fake IDs and Documents

What is the Scam?

Buying or using fake Colorado IDs, driver's licenses, immigration papers, or proof-of-address documents.

The Risk

- **Severe Charges:** Using fake papers is an extremely serious crime and can result in immediate criminal charges, heavy fines, or losing your car and license.
- **Financial Problems:** With fake papers, it becomes nearly impossible to legally sell your car, trade it in, or get an insurance payment if involved in a crash.
- **Identity Theft:** Giving criminals your information puts you at immediate risk of identity theft. Your identity could be used to open bank accounts or credit cards.

How to Protect Yourself

- **Get Documents Legally:** Visit the DMV in person or at myDMV.Colorado.gov.
- **Immigration Status:** You can get a license or register your car in Colorado regardless of your immigration status. Use your own Colorado ID, license, or other legal papers to show the DMV who you are.
- **Report Fraud:** You can report fraud or suspicious activity at DMV.Colorado.gov/Fraud.
