Scam: Paying for Free DMV Services

What is the Scam?

People or websites that charge a fee for services that are inexpensive or free through the Colorado Division of Motor Vehicles (DMV). These scammers may try to charge you for things such as:

- Booking an appointment.
- Official online test preparation materials.
- Taking your written knowledge (permit) test for you.

The Risk

- **Wasting Money:** Booking appointments is always free, so paying for them is a scam.
- **Fraud Charges:** Paying someone else to take a test for you is fraud and can lead to criminal charges.

How to Protect Yourself

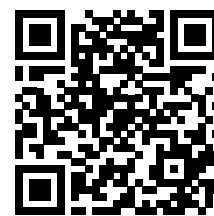

- **Appointments:** Booking a DMV appointment is **100% FREE**. Use the official website: [DMV.Colorado.gov](https://dmv.colorado.gov).
- **Tests:** You must complete the tests yourself to comply with the law. Get the official preparation materials and take the online knowledge tests directly from the source at [DMV.Colorado.gov/Home-Driving-Knowledge-Tests](https://dmv.colorado.gov/Home-Driving-Knowledge-Tests).
