Scam: Fake Government Websites

What is the Scam?

Fake websites that claim to offer Colorado Division of Motor Vehicles (DMV) services, but are “look-alike” webpages that charge unnecessary service fees or illegally gather personal information.

The Risk

- **Theft:** These fake sites are designed to steal your personal information.
- **Unnecessary Fees:** They will charge you money for things you could do for free on the real DMV website.

How to Protect Yourself

- **Verify the Address:** Always use the DMV’s direct, official website: DMV.Colorado.gov.
- **Use the Official DMV Online Services:** Conduct safe online transactions using the DMV’s official online portal, myDMV.Colorado.gov.
- **Look for Warnings:** Be careful of advertised websites and look for warnings on the site that say it is not a government agency.
