

Undercover License Plate Application

Undercover license plates are issued to Law Enforcement and Governmental Agencies who work in sensitive areas and where if the true vehicle identity were known, it would be harmful to the security and interest of the particular employee and/or agency.

Agency Name						
Address			City		State	ZIP
☐ New Deep Undercover ☐ Renewal Deep Undercover ☐ New Undercover ☐ Renewal Undercover						
State specific security reason(s) for requesting undercover plates:						
Attach a formal written request on official departmental letterhead. The request must be signed by the Chief of Police, Sheriff or the agency director (or their assigned designee for whom a copy of the written delegation agreement must be attached). Completed applications and request should be mailed to: Colorado Department of Revenue Division of Motor Vehicles PO Box 173350 Denver, CO 80217-3350

Terms of Assignment and Certification						
The requesting agency must provide a term of assignment if the term of assignment is temporary. Following the term of assignment, the physical document must be returned to the Colorado Motor Vehicle Investigations Unit for destruction at the address below. The cardholder and agency must keep his process confidential and must not discuss the nature of their visit at the UC location with anyone.						
☐ Permanent Assignment No Dates Required		☐ Temporary Assignment Term Dates Required		Date Temporary assignment Begins		Date Temporary assignment Ends
By signing below the agency swears and affirms under the Penalty of Perjury that:						
- The undercover plates will be used for official police business or for vehicles that are involved in sensitive government business. - The undercover plates issued to law enforcement or government agencies will not be used for personal gain. - The valid non-undercover registration card and license plates will be carried in the vehicle at all times. - When there is no longer a need for the undercover plates, they will be returned to the State Registration Section for destruction. - The agency will assume all liability for the issuance of these plates and compliance with the mandatory insurance and emissions requirements (if applicable).
