

Per State Statute, 42-2-104, 6 hours of behind-the-wheel training is mandatory if you are **under** age 16 and 6 months at the time of applying for your driver's license. If you live more than 30 miles from a full-time certified driving school, an additional 12 hours of drive time may be substituted for the behind-the-wheel training (*Bring a map quest printout to the driver's license office showing how far you live from the nearest school within your zip code*). The 12 additional hours must be submitted on the drive time log that is signed by your parent, guardian, or other responsible adult who signed the Affidavit of Liability. The zip codes listed below are within 30 miles of a certified driving school.

You should look for your zip code on this chart one month prior to applying for your driver's license. Please note, if a driving school opens (any time) within 30 miles of your residential address before applying for your driver's license, you will be required to complete 6 hours of behind-the-wheel training.
