Dear [dealer],

On August 6, 2018, all Colorado Division of Motor Vehicles (DMV) systems that control vehicle and vehicle-related information will be replaced with a new system called Colorado Driver License, Record, Identification and Vehicle Enterprise Solution (DRIVES). If you have already registered for the new system, you can disregard this letter.

Please note registration must be submitted online by Tuesday, July 31. Also, you will still be able to issue temporary registration permits using the current Fairfax system through August 4, 2018. Beginning August 6, 2018, you will begin to issue temporary permits through the new Colorado DRIVES system. Training is available upon registration. Logon information will be sent on August 5 for approved registrations. There is no fee for use of this website.

The DMV has established a webpage that contains helpful Information regarding temporary permits and can be found at the this url: <https://www.colorado.gov/pacific/dmv/dealer-issued-temporary-permits>

Motorcycle mounting boards

- Motorcycle mounting boards are effective August 6, 2018 and can be purchased through approved mounting board vendors.

Where do I register?

- <https://dmvpartner.colorado.gov?link=3paRegistration>
- Password: MVPrecords
 - Assistance and tips to register can be found online at <https://www.colorado.gov/pacific/dmv/dealer-issued-temporary-permits>
