|                                                                                                                                         |                      |
| <b>EO2 Questions</b>                                                                                                                    | <b>EO2 Responses</b> |
| 1. Is the rule necessary and not duplicate of existing rules or C.R.S?                                                                  |                      |
| 2. Is the rule written in plain language and easy to understand?                                                                        |                      |
| 3. Has the rule achieved the desired intent and whether more or less regulation is necessary?                                           |                      |
| 4. Can the rule be amended to reduce any regulatory burdens while maintaining its benefits?                                             |                      |
| 5. Is the rule implemented in an efficient and effective manner, including the requirements for the issuance of any permits or license? |                      |
| <b>Additional information or comments (cite statutory basis at a minimum).</b>                                                          |                      |

| EO5 Questions                                                                                                                                                                                                                                            |  | EO5 Responses                        |  |
