All Colorado driver license offices to close at 3 p.m. on February 17, 2017

February 7, 2017 - LAKEWOOD, Colo. - All state and county Colorado driver license offices will close at 3 p.m. on Friday, Feb. 17, 2017, for a technology upgrade. This closure does not affect county title and registration offices, but does impact the driver license services offered in the following county motor vehicle offices: Arapahoe, Baca, Cheyenne, Douglas, El Paso, Kiowa, Kit Carson, Lake, Lincoln, Phillips, Sedgwick, Washington and Yuma.

Offices will remain closed on Monday, Feb. 20, in observance of Presidents' Day, and will reopen at their regularly-scheduled times on Tuesday, Feb. 21.

Due to the technology upgrade, driver-based online services, including driver license and identification card renewal, address change and emergency contact information will not be available from Feb. 17-20. Services such as appointment scheduling and motor vehicle registration renewal will remain available.

The Department of Revenue, Division of Motor Vehicles, appreciates the public's patience during this closure and while we adjust to our new technology and apologizes for any inconvenience.
