

## Legislator License Plate Application

---

To be issued your legislator license plate, please complete the information below and provide it to the attention of the Inventory Manager for Vehicle Services at the address listed above.

The motor vehicle you are requesting the legislator license plate to be issued to must be currently titled and registered, and all taxes and fees are required to be paid.

- If the motor vehicle is due for renewal you must complete your renewal before the legislator license plates can be issued to it. Renewals can be completed via eServices at [myDMV.Colorado.gov](https://myDMV.Colorado.gov) or at your County Motor Vehicle office.
- If this is a newly purchased motor vehicle your County Motor Vehicle office must first issue your Colorado Certificate of Title and register the motor vehicle before the legislator license plates can be issued to it.

Please attach a copy of your current motor vehicle registration card and proof of insurance and a check made payable to the "Colorado Department of Revenue" for \$10.03 for the license plate and validation tabs material fees.
