Pursuant to C.R.S. 42-3-201(6)(a) and (b) and 1 CCR 204-10 Rule 41. Permanent Disposal of a License Plate or Product license plates that are voluntarily surrendered or acquired in the ordinary course of business shall be destroyed, recycled, or permanently disposed of in a manner approved by the department. Reselling, reusing, giving, or gifting of scrap plates is prohibited.

The County shall complete this form and attach a request for approval on the County's letterhead. This form shall be retained by the Vehicle Services Program and shall be updated by the County every five (5) years or upon change in personnel or processes. License plate destruction, recycling, or disposal activities are not approved until this form is returned with the approval section completed. Each County is responsible for ensuring compliance with the rules and statutes pertaining to the destruction, recycling, or disposing of license plates with the junk yard, scrap yard, recycler, or metals dealer with whom they have scrap plate agreements.

1. Means of receiving and storing the scrap plates to include details such as security, accountability, and personnel that would have access to plates:
2. Destruction, recycling, or disposal method to be used (if through Colorado Correctional Industries indicate "Colorado Correctional Industries"):
3. Timeline for completion of destruction, recycling, or disposal (if through Colorado Correctional Industries indicate "picked up with quarterly shipments" or "coordinated call tag request"):

4. Agreements with any scrap yard, junk yard, recycler, metals dealer or any other entity used to destroy, recycle, or dispose license plates. This should detail evidence of receipt for scrap plates, evidence of destruction, recycling, or disposal (if through Colorado Correctional Industries indicate "Colorado Correctional Industries"). County may attach copies of agreements in lieu of completing this requirement:

5. Person responsible for administration of program including name, address, phone number, and email address:

Upon approval, scrap license plates will be destroyed, recycled, or disposed of pursuant to this form. Any special circumstances must be pre-approved in writing by the Vehicle Services Program prior to completion. All scrapped license plates must be entered into DRIVES under "County Office" manager then "Surrender/scrap plate(s)" and evidence of the license plates being destroyed, recycled, or disposed of shall be completed on the DR 2927 License Plate Destruction, Recycling or Disposal Log form. This form should be provided to the Vehicle Services Program by scanning and emailing to countyinventorysupport@state.co.us for the attention of Administrative Services Unit. Approvals/denials will be provided back to the county via the method received.
