

## License Plate Destruction, Recycling & Disposal Log

County Name

Pursuant to C.R.S. 42-3-201(6)(a) and (b) and 1 CCR 204-10 Rule 41. License Plate Destruction, Recycling and Disposal, the below license plates that were voluntarily surrendered or acquired in the ordinary course of business have been destroyed, recycled or disposed of in accordance with the DR 2926 License Plate Destruction, Recycling & Disposal Approval Application form. A copy of the approved application file is with the Vehicle Services Program. All license plates contained on this log have been entered into the DRIVES Surrender/Scrap Plate(s) log.

Completed log shall be submitted to the Vehicle Services Program at least quarterly starting with the approval date of the DR 2926 License Plate Destruction, Recycling & Disposal Approval Application. If no license plates were destroyed, recycled or disposed of, a log sheet shall be submitted with "No Scrap Plates This Quarter" as the first entry. Separate lists may be attached to this form. Provide completed log by attaching to email and sending to [countyinventorysupport@state.co.us](mailto:countyinventorysupport@state.co.us) to the attention of Administrative Services Unit.

---

\*List any comments that may pertain to the plate (i.e., only one plate received, out of state plate listing the state name, etc). The license plates contained on this log have been destroyed, recycled or disposed of pursuant to the approved DR 2926 License Plate Destruction, Recycling & Disposal Approval Application on file with the Vehicle Services Program.
