<p>Business entities (i.e., nursing home, care facility, etc.) that transport people with disabilities may obtain a person with disabilities plate or placard from the County Motor Vehicle Office in the county where the business entity is located. Business entities may be issued one person with disability plate or placard per vehicle owned by that business entity to transport people with disabilities. Vehicles must be titled in the name of the business entity.</p>		
Number of plates (registration receipts or titles must be provided at time of application for each vehicle).		
Number of placards (registration receipts or titles must be provided at time of application for each vehicle).		

There is no fee for persons with disabilities placards. Business entities must pay all required taxes and fees for plates.

A letter on business entity letterhead, signed by the executive officer, or equivalent, of the business entity stating the use of the vehicle(s) is also required to accompany this application.

I certify, under penalty of perjury, that I understand that I am responsible for the use in conformity with Colorado Revised Statutes 42-3-204 and 42-4-1208. I further understand that violation of the requirements in the statutes referenced above may result in fines and penalties up to \$5,000, incarceration and community service, and suspension of placards and plates.
